3. Unless otherwise stated, all auctioned items and services must be used within one year from auction date. Specified dates must be arranged between donor and winning bidder.
4. Participants are encouraged to fulfill specified obligations.
5. Gift certificates will not be posted during the auction, but will be available at the auction check-out.
6. All bids must be in even increments of five dollars. Any alteration to the pre-printed bid sheet will nullify the bid that was altered.

Silent Auctions

1. Auction officials will be available.
2. Bid numbers are required to bid in any silent auction. Bid numbers will be assigned at the events. Auction participants will retain their assigned number throughout that event only.

4. The closing bid will be highlighted by auction officials and thus will constitute the winning bid. Winners will be posted at the auction check-out area approximately one and a half hours after the auction is completed.
